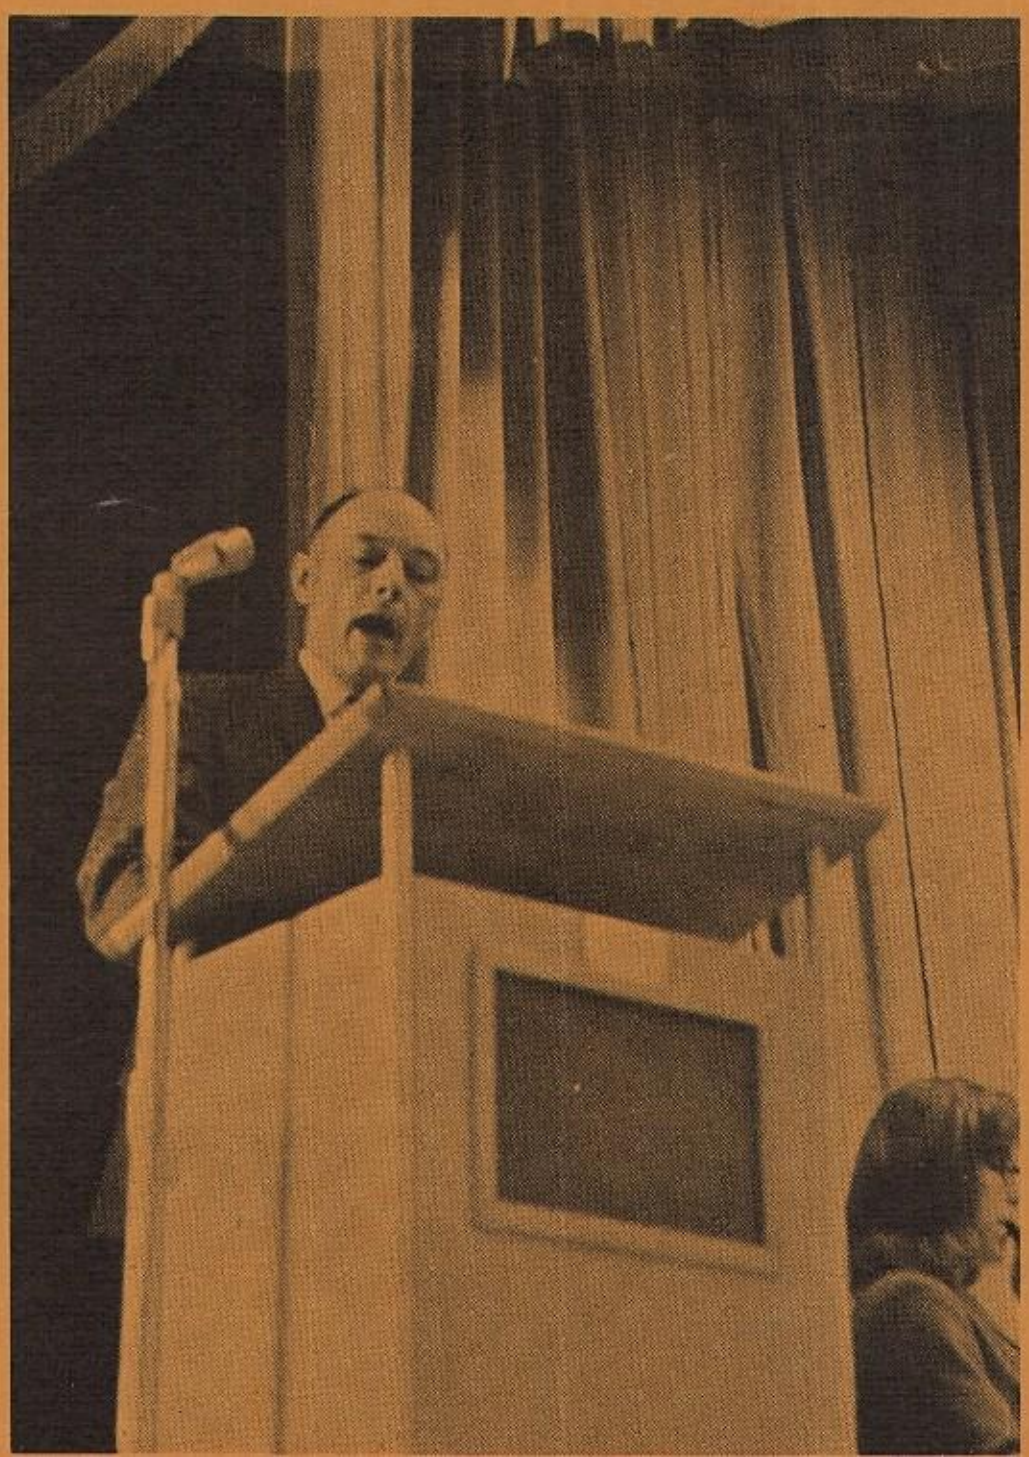
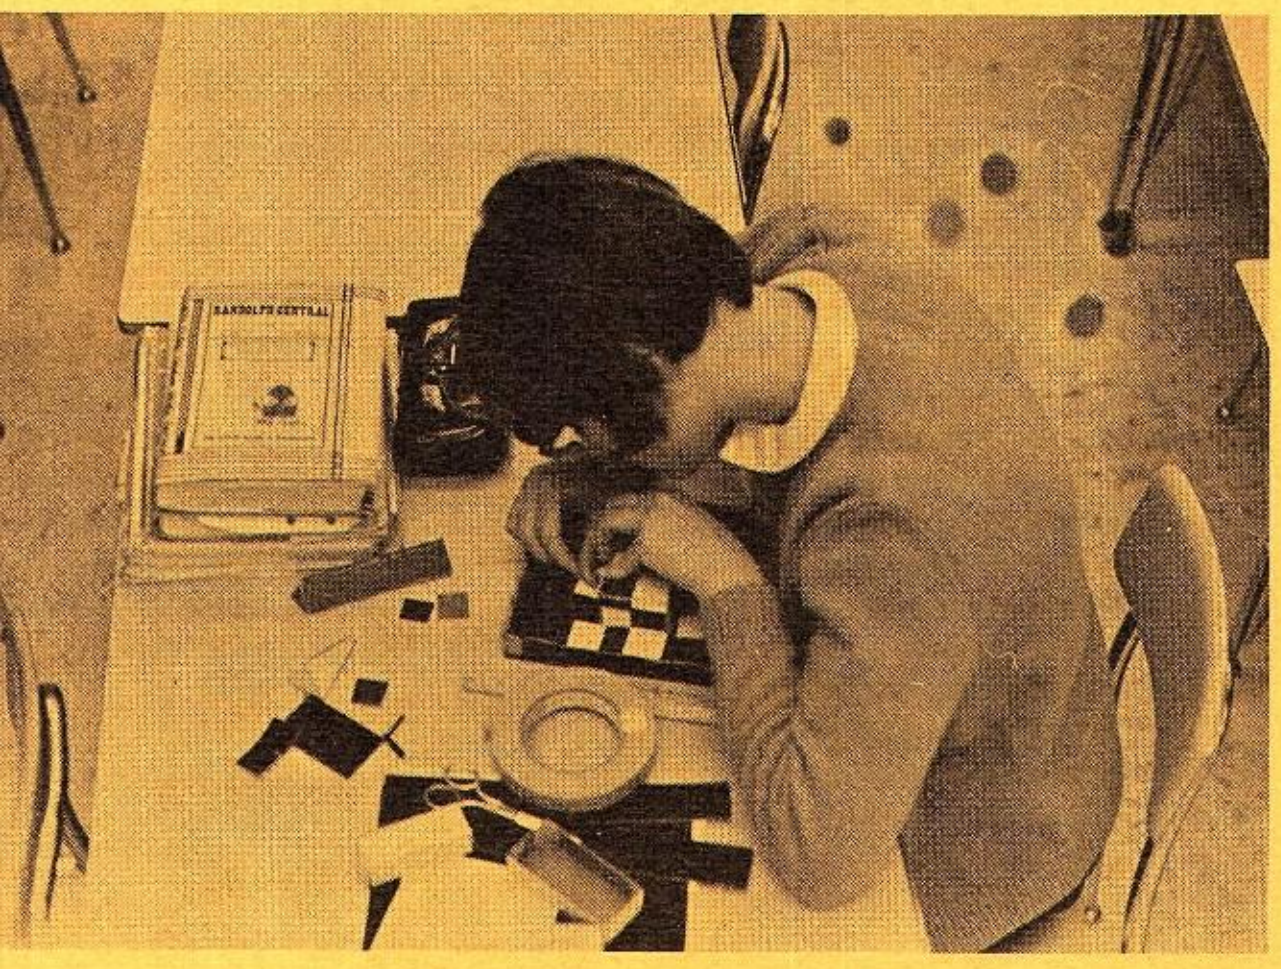
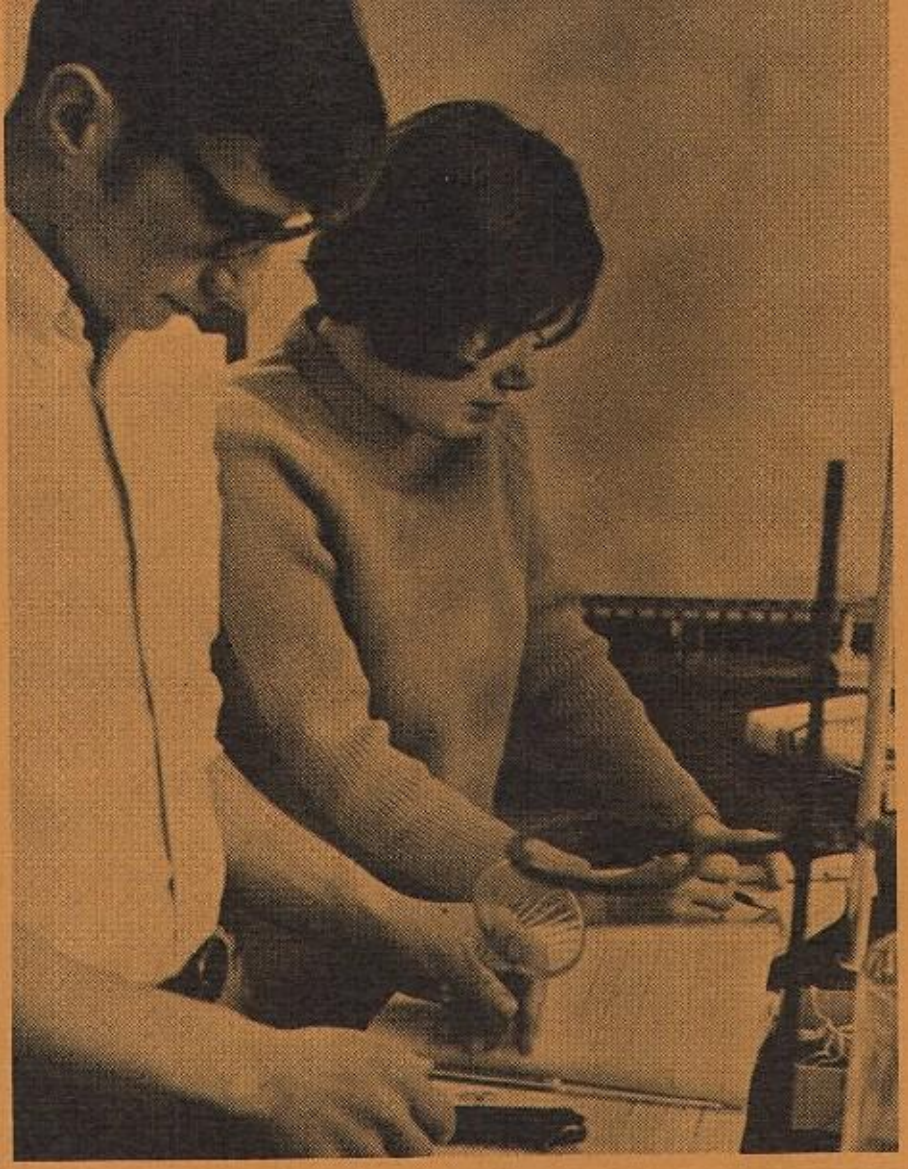
Reach Out . . . to communicate
is the beginning
of understanding

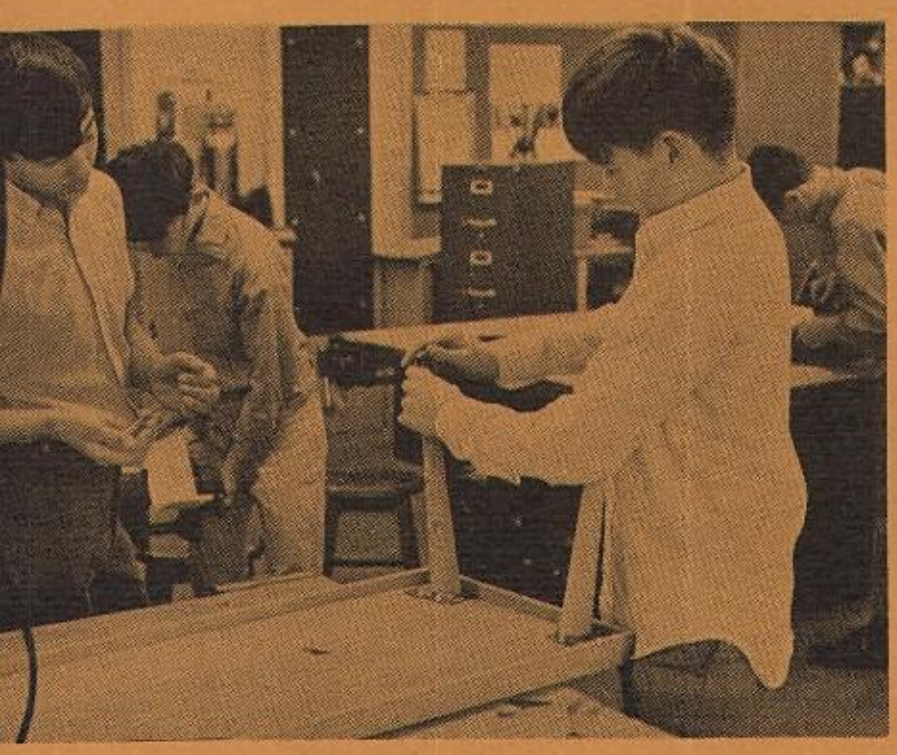
to everything there is a season,
and a time for every purpose
under heaven . . .



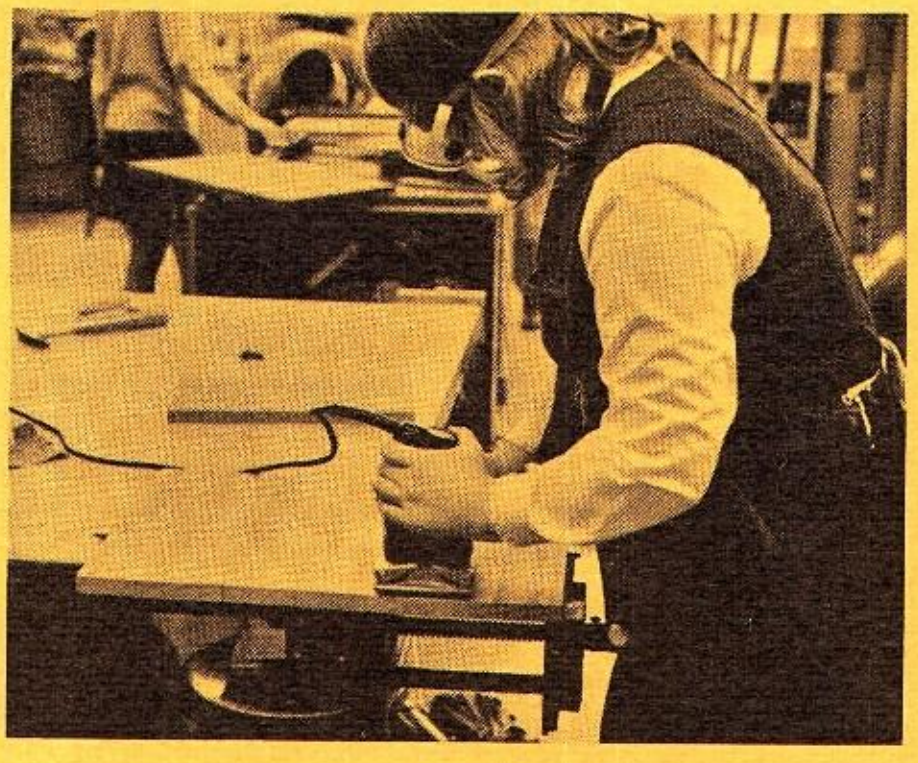


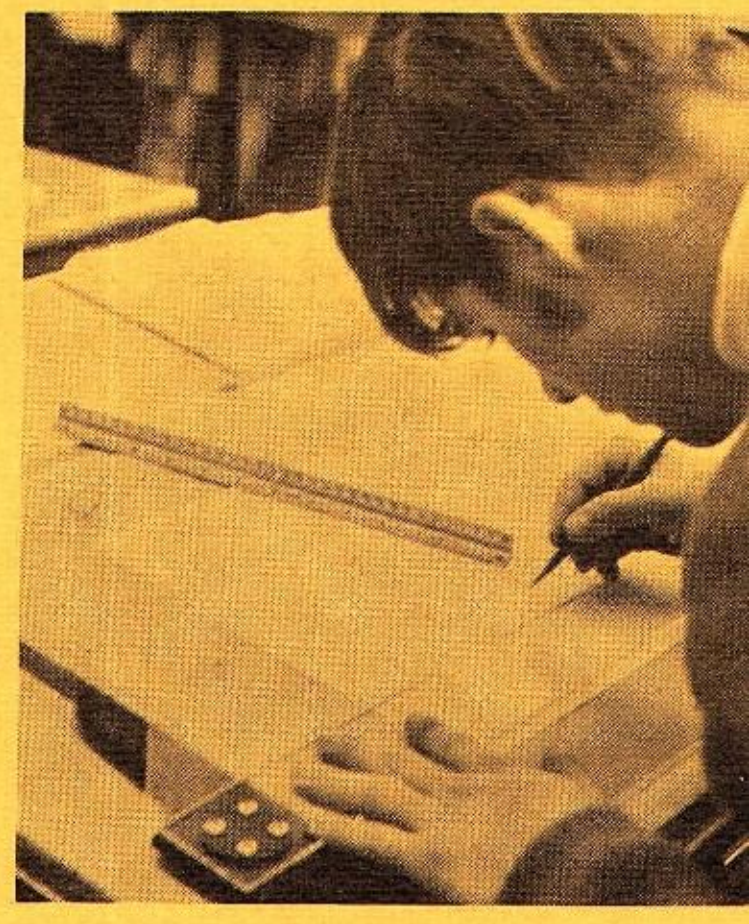
a time to plant . . .



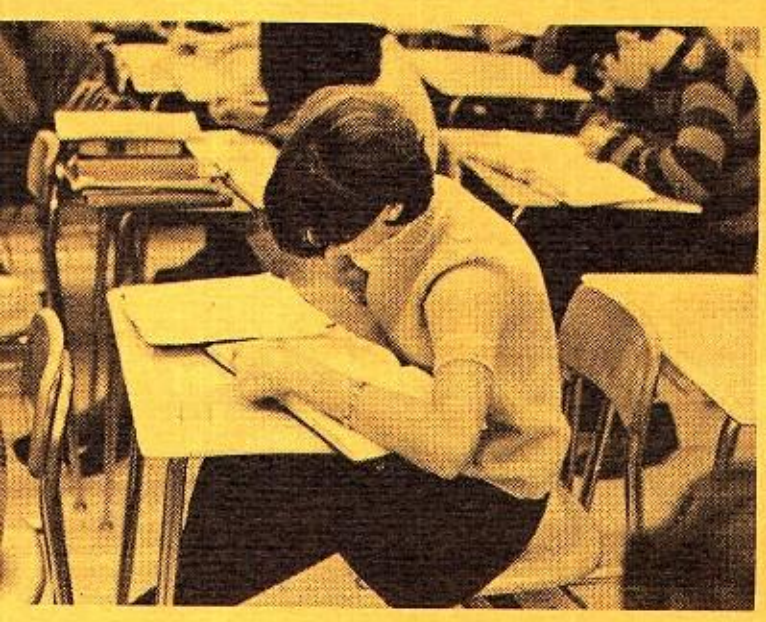


a time to reap . . .

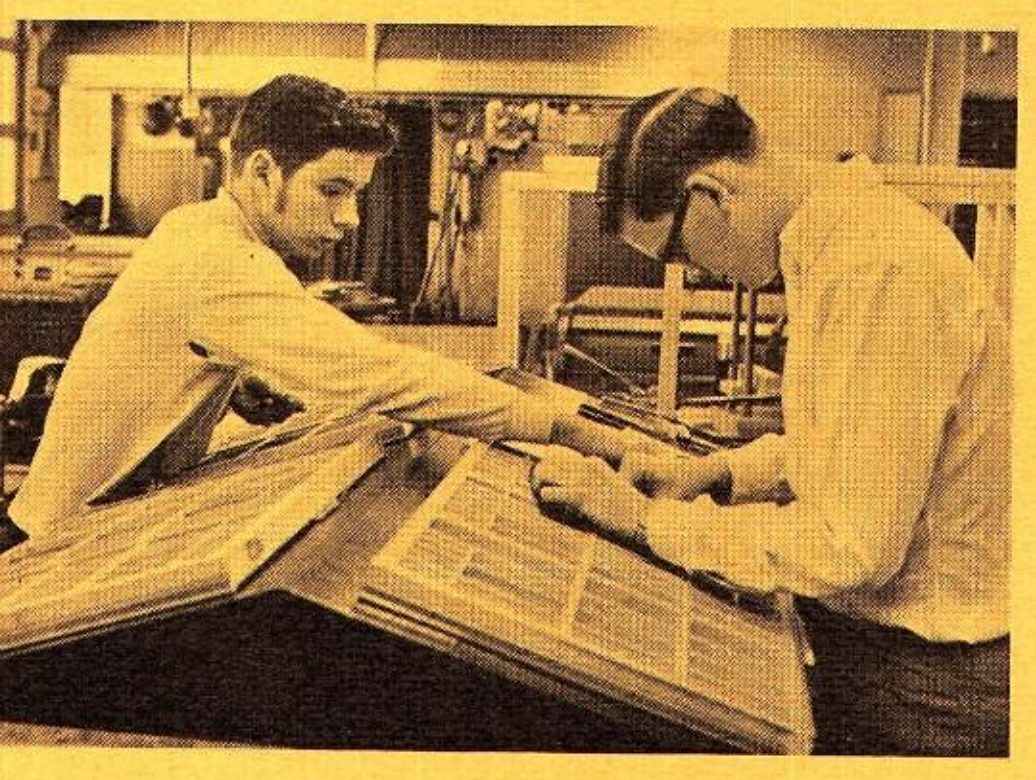


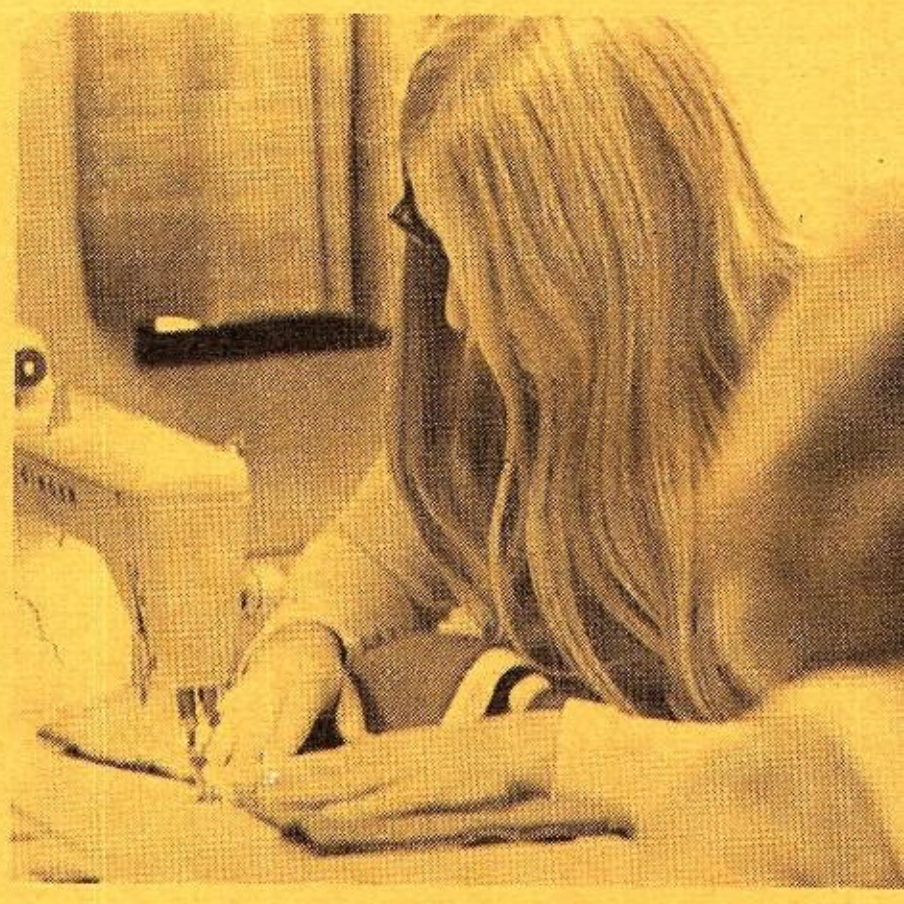


a time to build up . . .

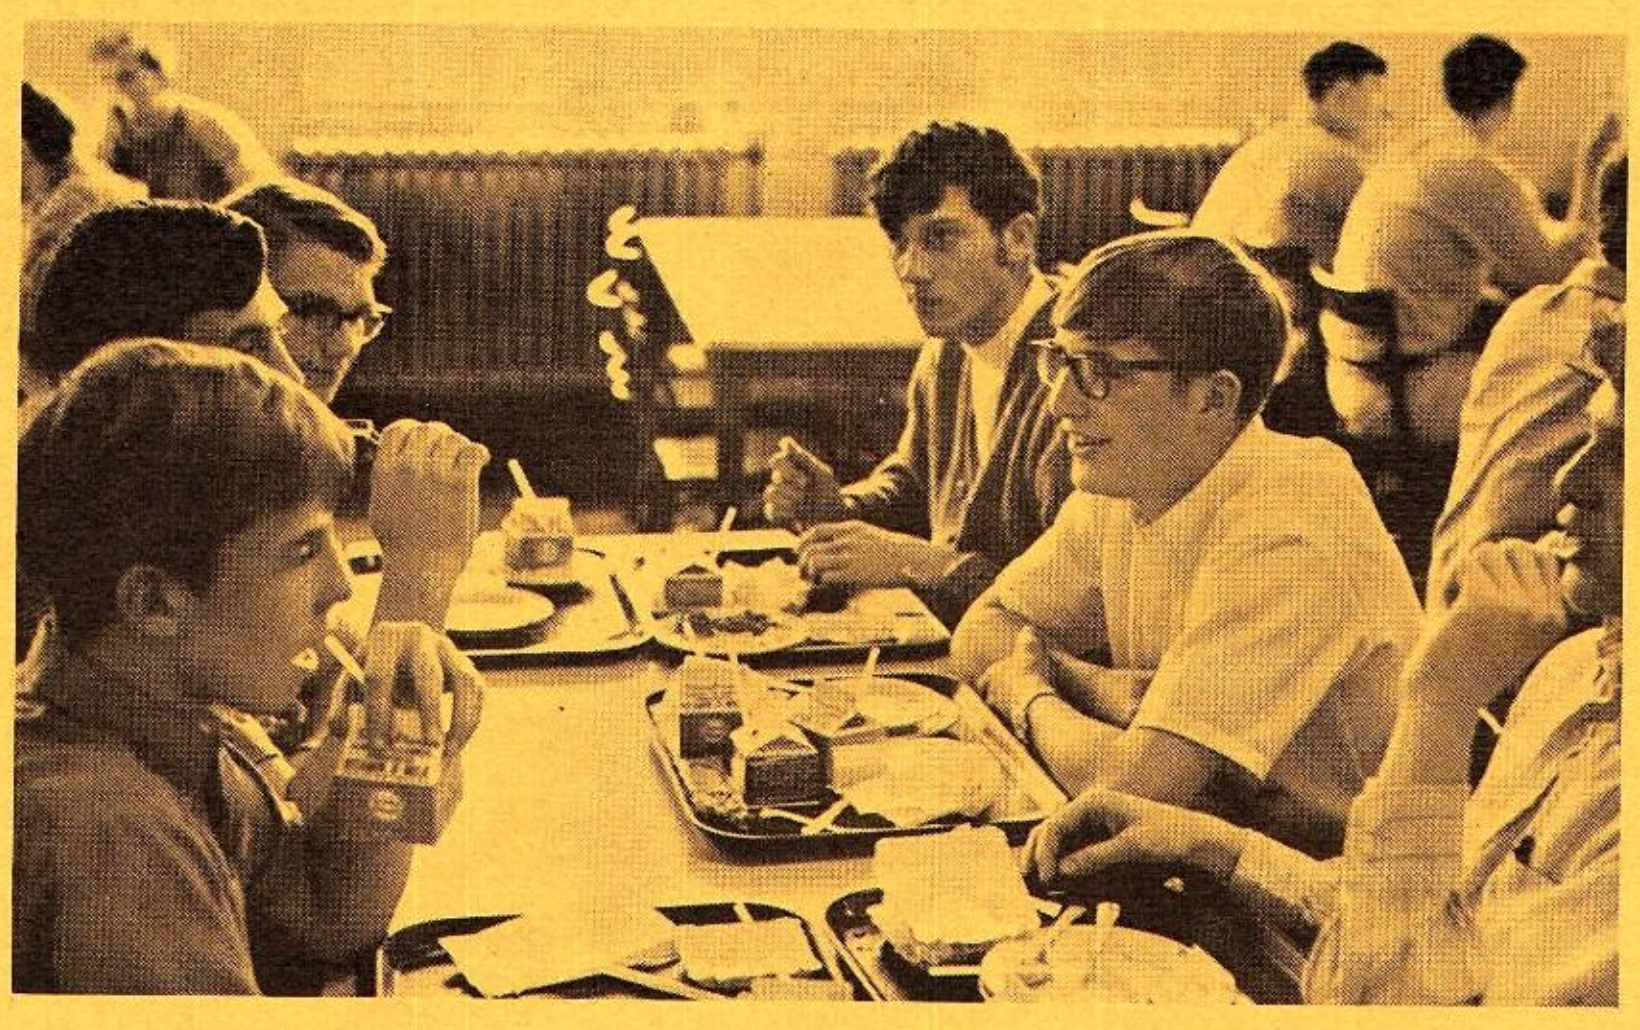


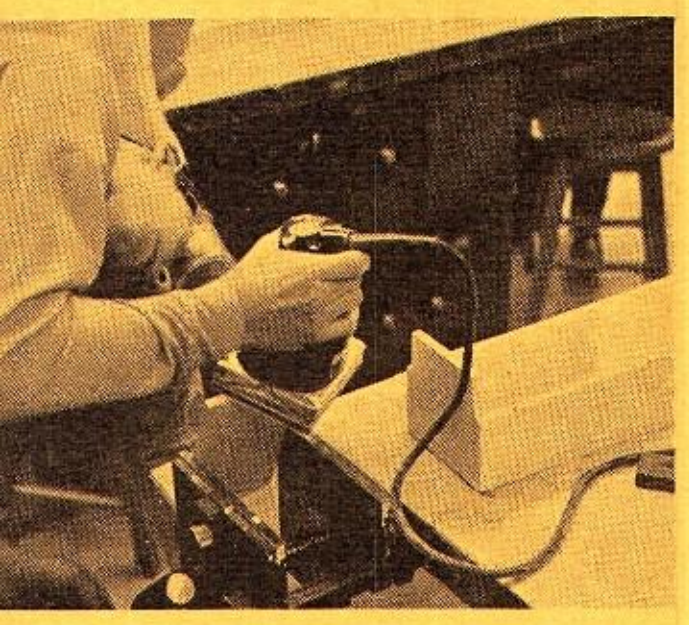
a time to break down . . .

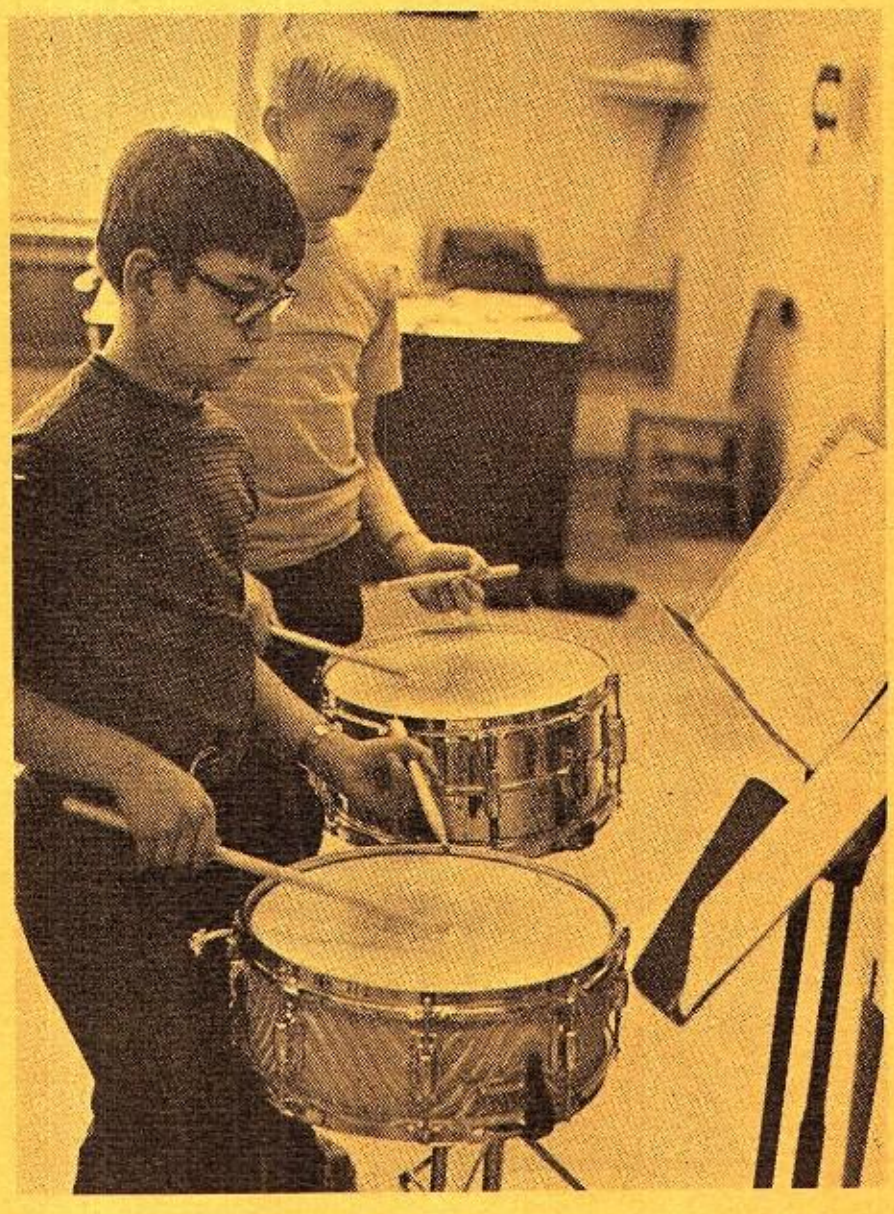




a time to love . . .







a time to mourn.

FOREWORD

Tell me people, why is there hatred and why is there strife?

How can some people live so dead and others have so much life?

Tell me people, why are some hungry and why are some poor?

How can our brothers have so much of nothing while we still reach out for more?

Tell me people, why are some killed and why do some cry?

When will mankind have a world where justice will never die?

Tell me people, why is there violence and why is there war?

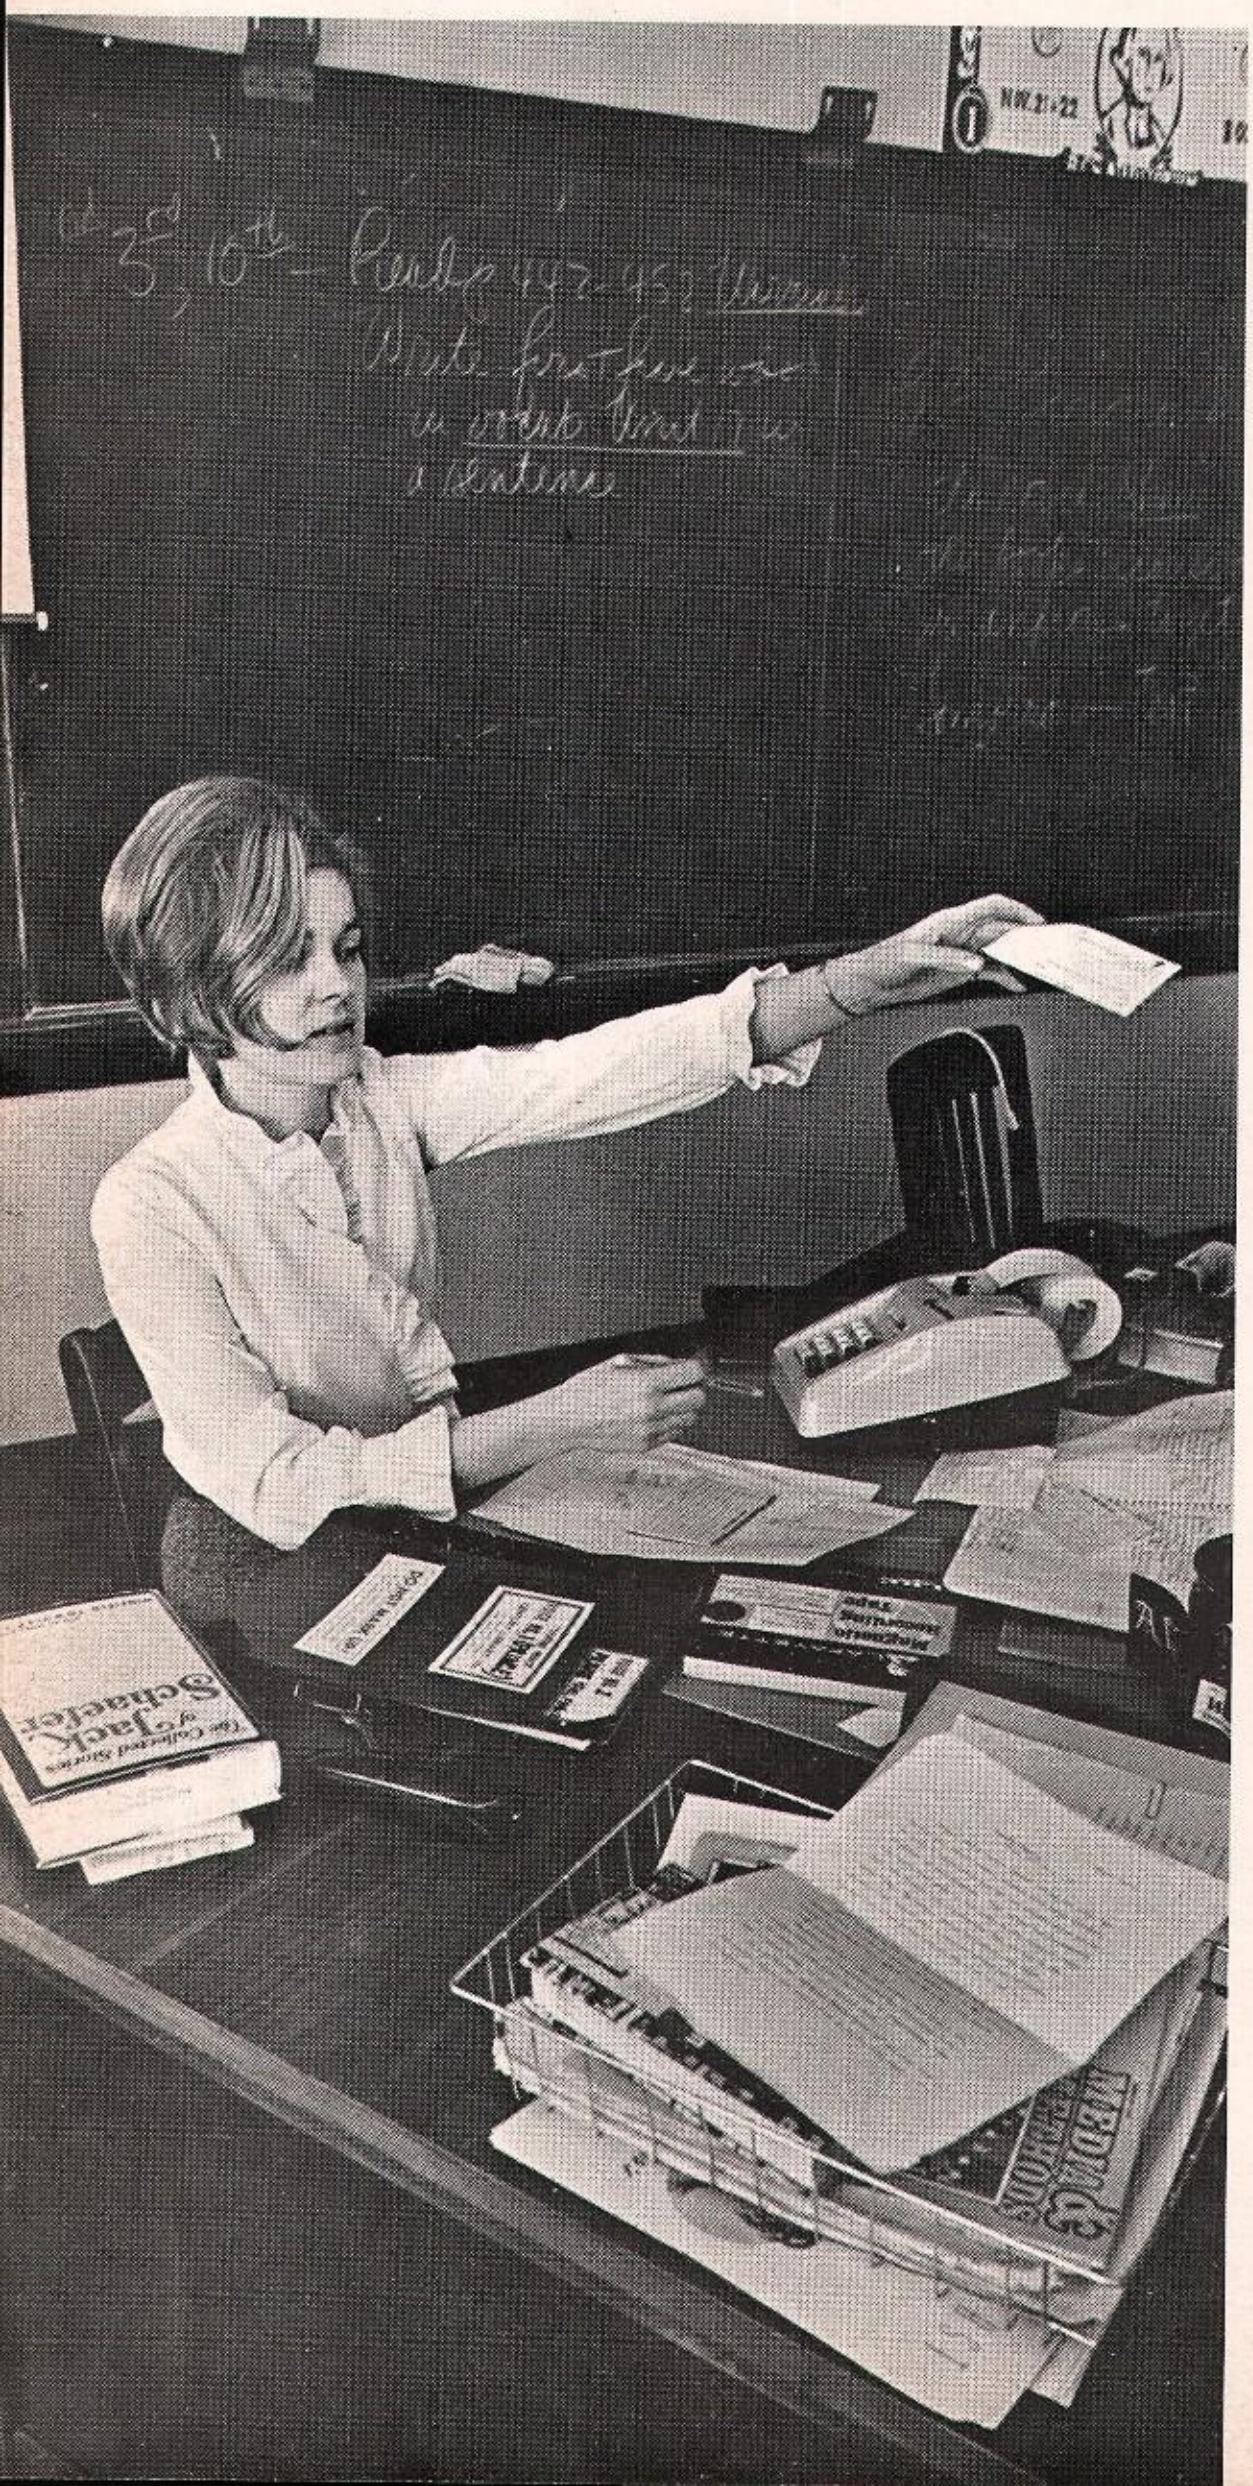
Hasn't mankind learned by now that peace is better by far?

Still ya know I've got hope for all mankind.

I've seen man live in love, and oh how it shines.

Come on now brother, we've gotta love one another. *BLL*

DEDICATION

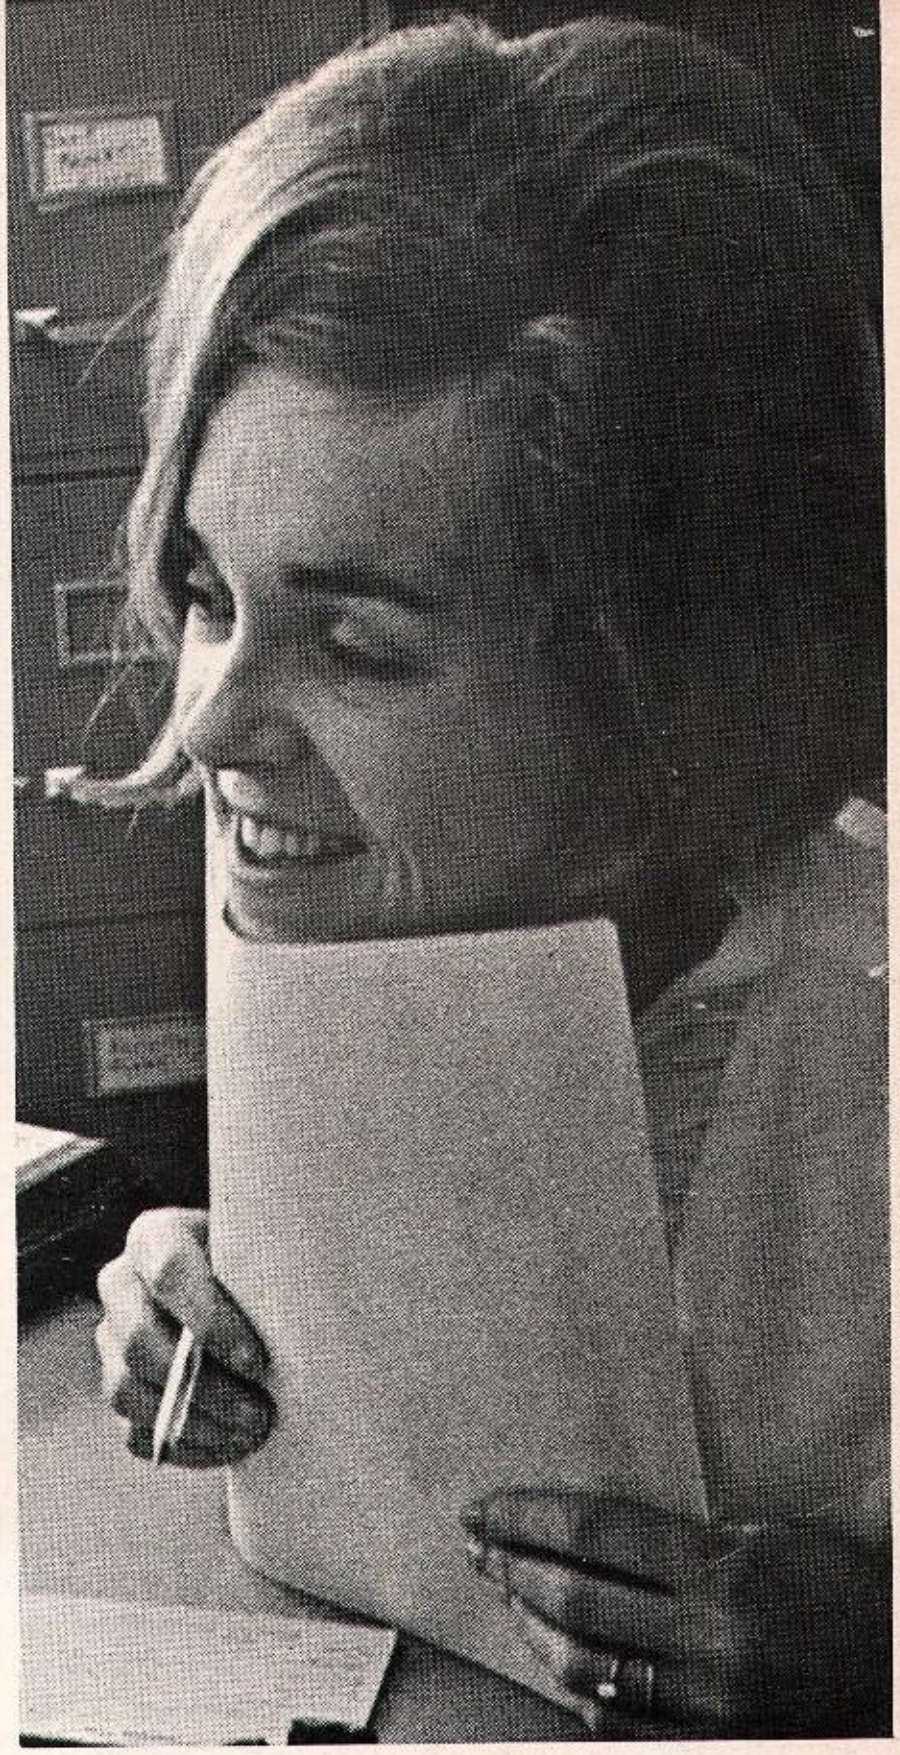


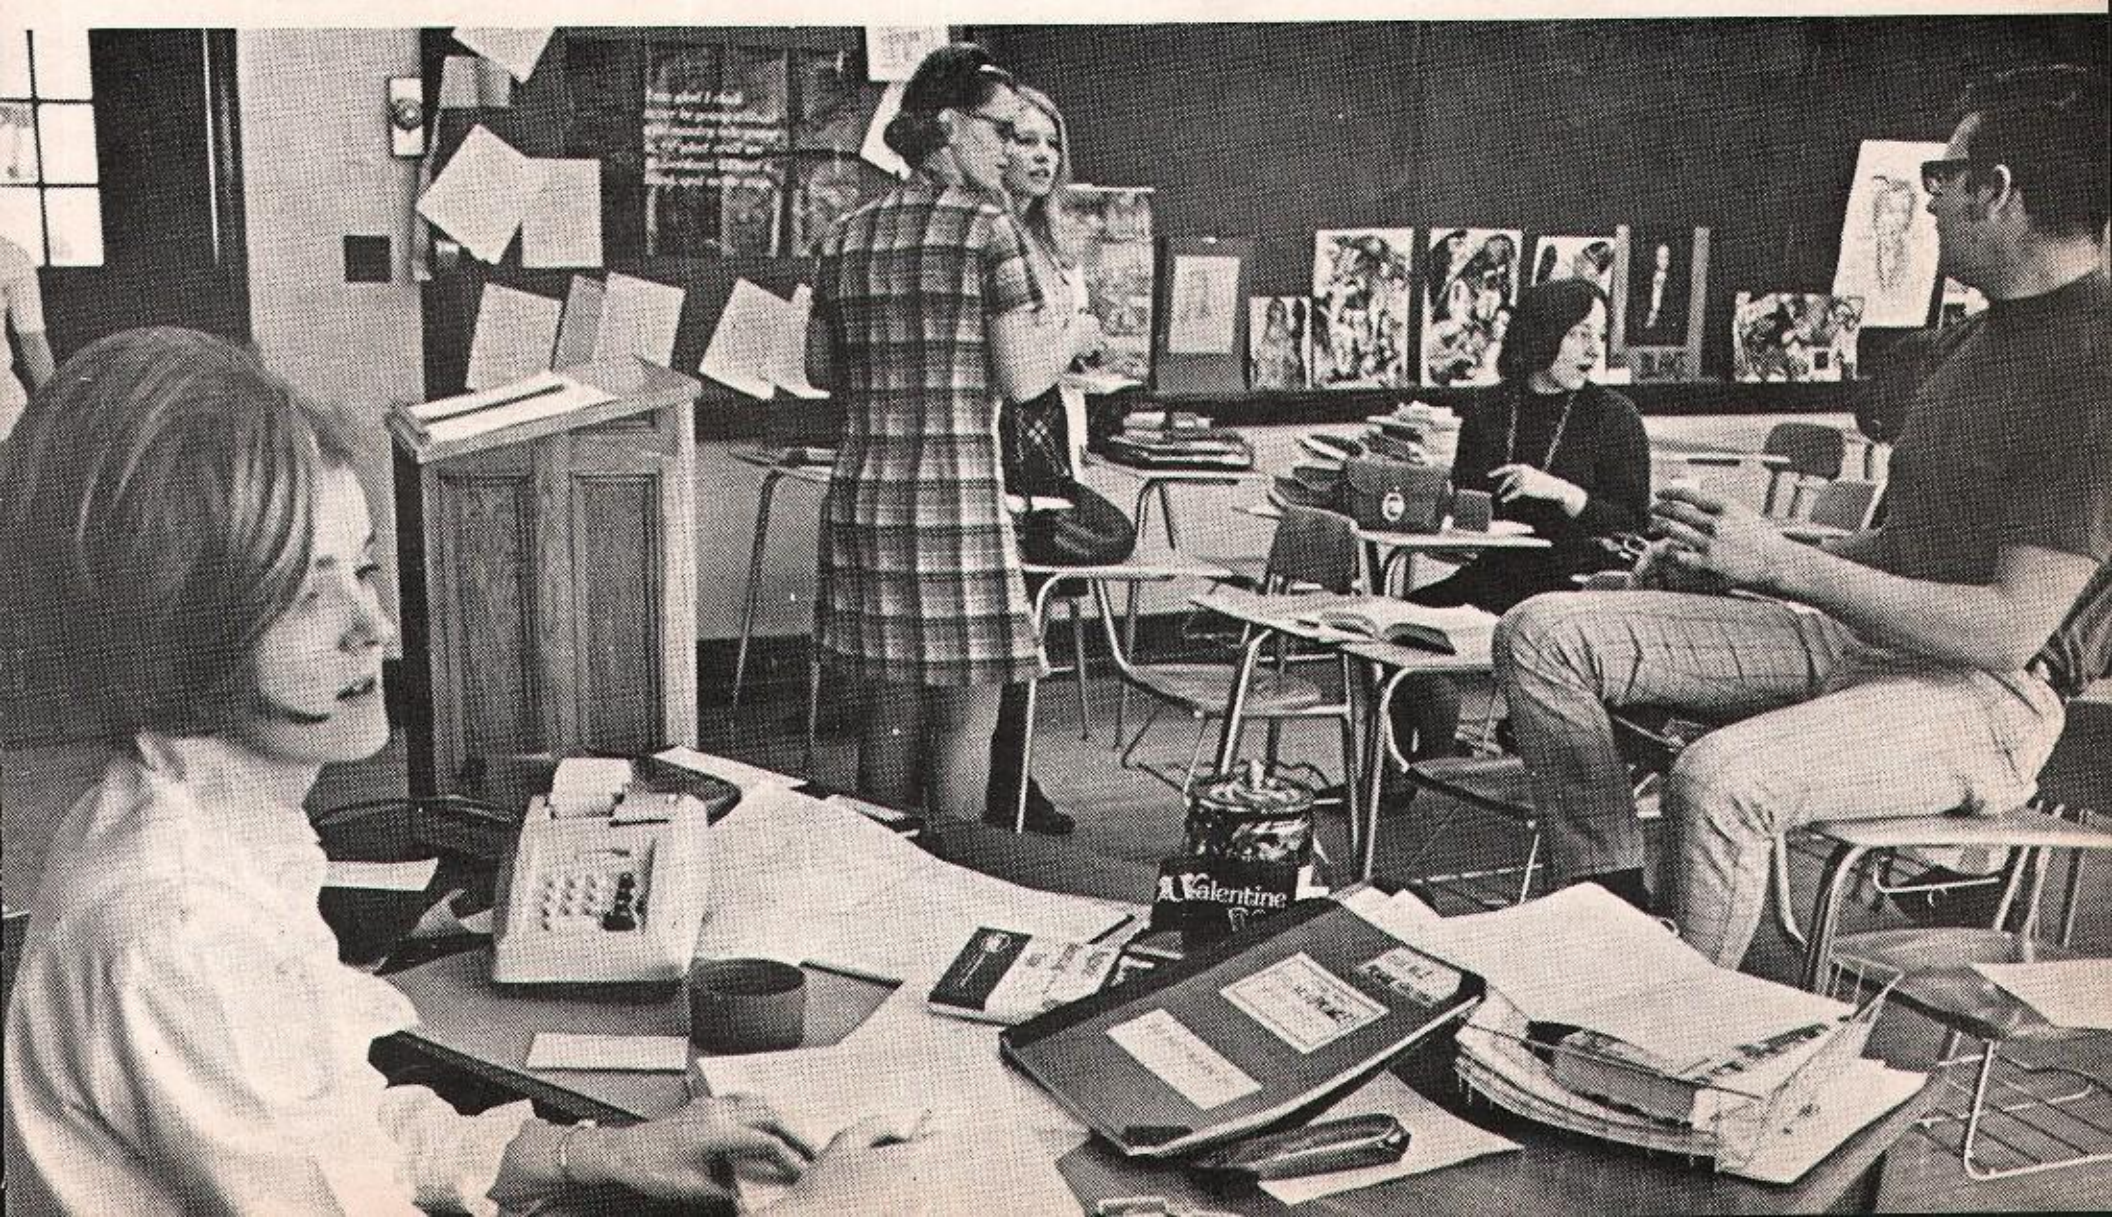
Miss Margaret Shane

The class of 1970 would like to dedicate this yearbook to one of our most animated and dedicated young teachers.

Miss Shane stood by us during the time in our lives when we needed guidance and understanding to become responsible young adults in a demanding world. We realize that without her this school would not be the same and we hope the underclassmen are given the opportunity to know Miss Shane as we do.

If our future years are successful, then we owe a part of it to her.





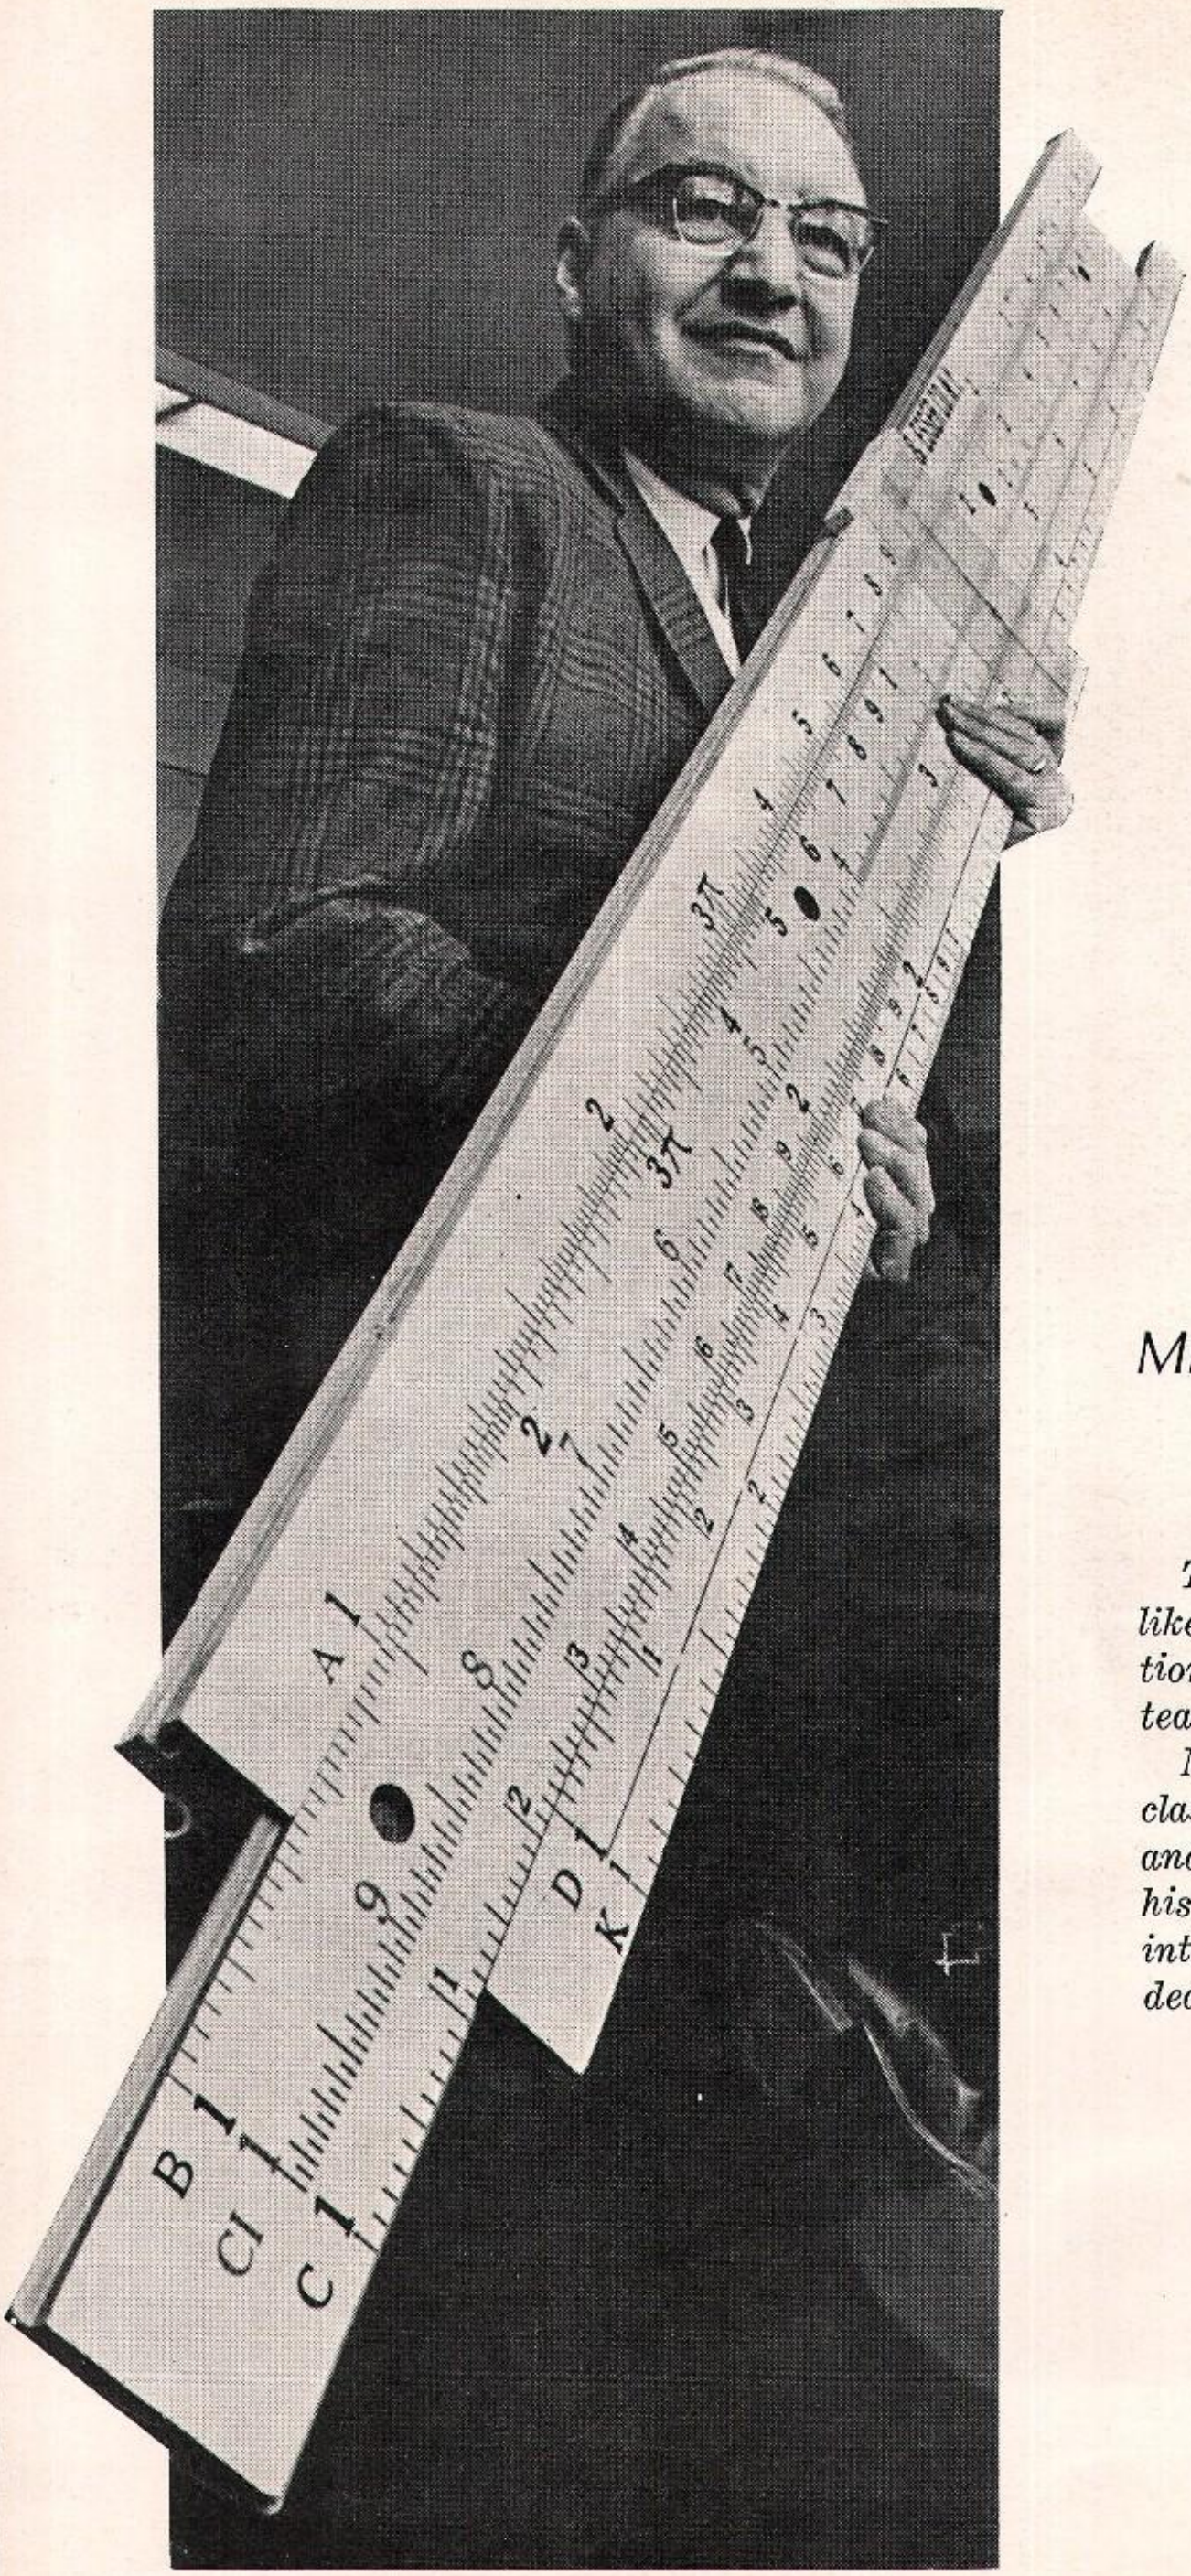
In Appreciation

Mr. Davis

James Davis, our supervising principal from 1962 to 1970 will retire at the end of the school year.

The class of 1970 extends to Mr. Davis their sincere thanks for his leadership and guidance and we wish him many years of good health and happiness to come.

R.F.



Mr. Waite

The class of 1970 would like to express our appreciation to a dedicated and loyal teacher.

Mr. Waite has been our class advisor since 7th grade and we will always cherish his wise decisions and his interests in our future endeavors.

Our Song

WHO'LL TAKE MY PLACE?

Long as I remember
This place has been my home,
Through clouds of mystery pouring
Confusion in my life.

Students through the ages
Trying to find the sun,
And I wonder, still I wonder
Who'll take my place?

Now my life is filled with
Decisions I must make,
Which way shall I follow,
Which road shall I take?

But my heart will stay here
Wrapped in golden chains
And I wonder, still I wonder
Who'll take my place?

Heard adventure calling
How I long to go,
Life is filled with wonder
I must heed the call.

Memories of Randolph
Stay within my mind,
And I wonder, still I wonder
Who'll take my place?

Our Visitors From South America

Miguel Arias

Myriam Fuentes

Vivian Fuentes

Miguel Arias, our exchange student from Peru, spent his three months with the Glenn Tompkins family.

Vivian Fuentes, from Chili, lived with the William Layton family while she stayed in Randolph.
Myriam Fuentes, the twin of Vivian, made her stay at the Roger Swanson home.

Billie In Bolivia

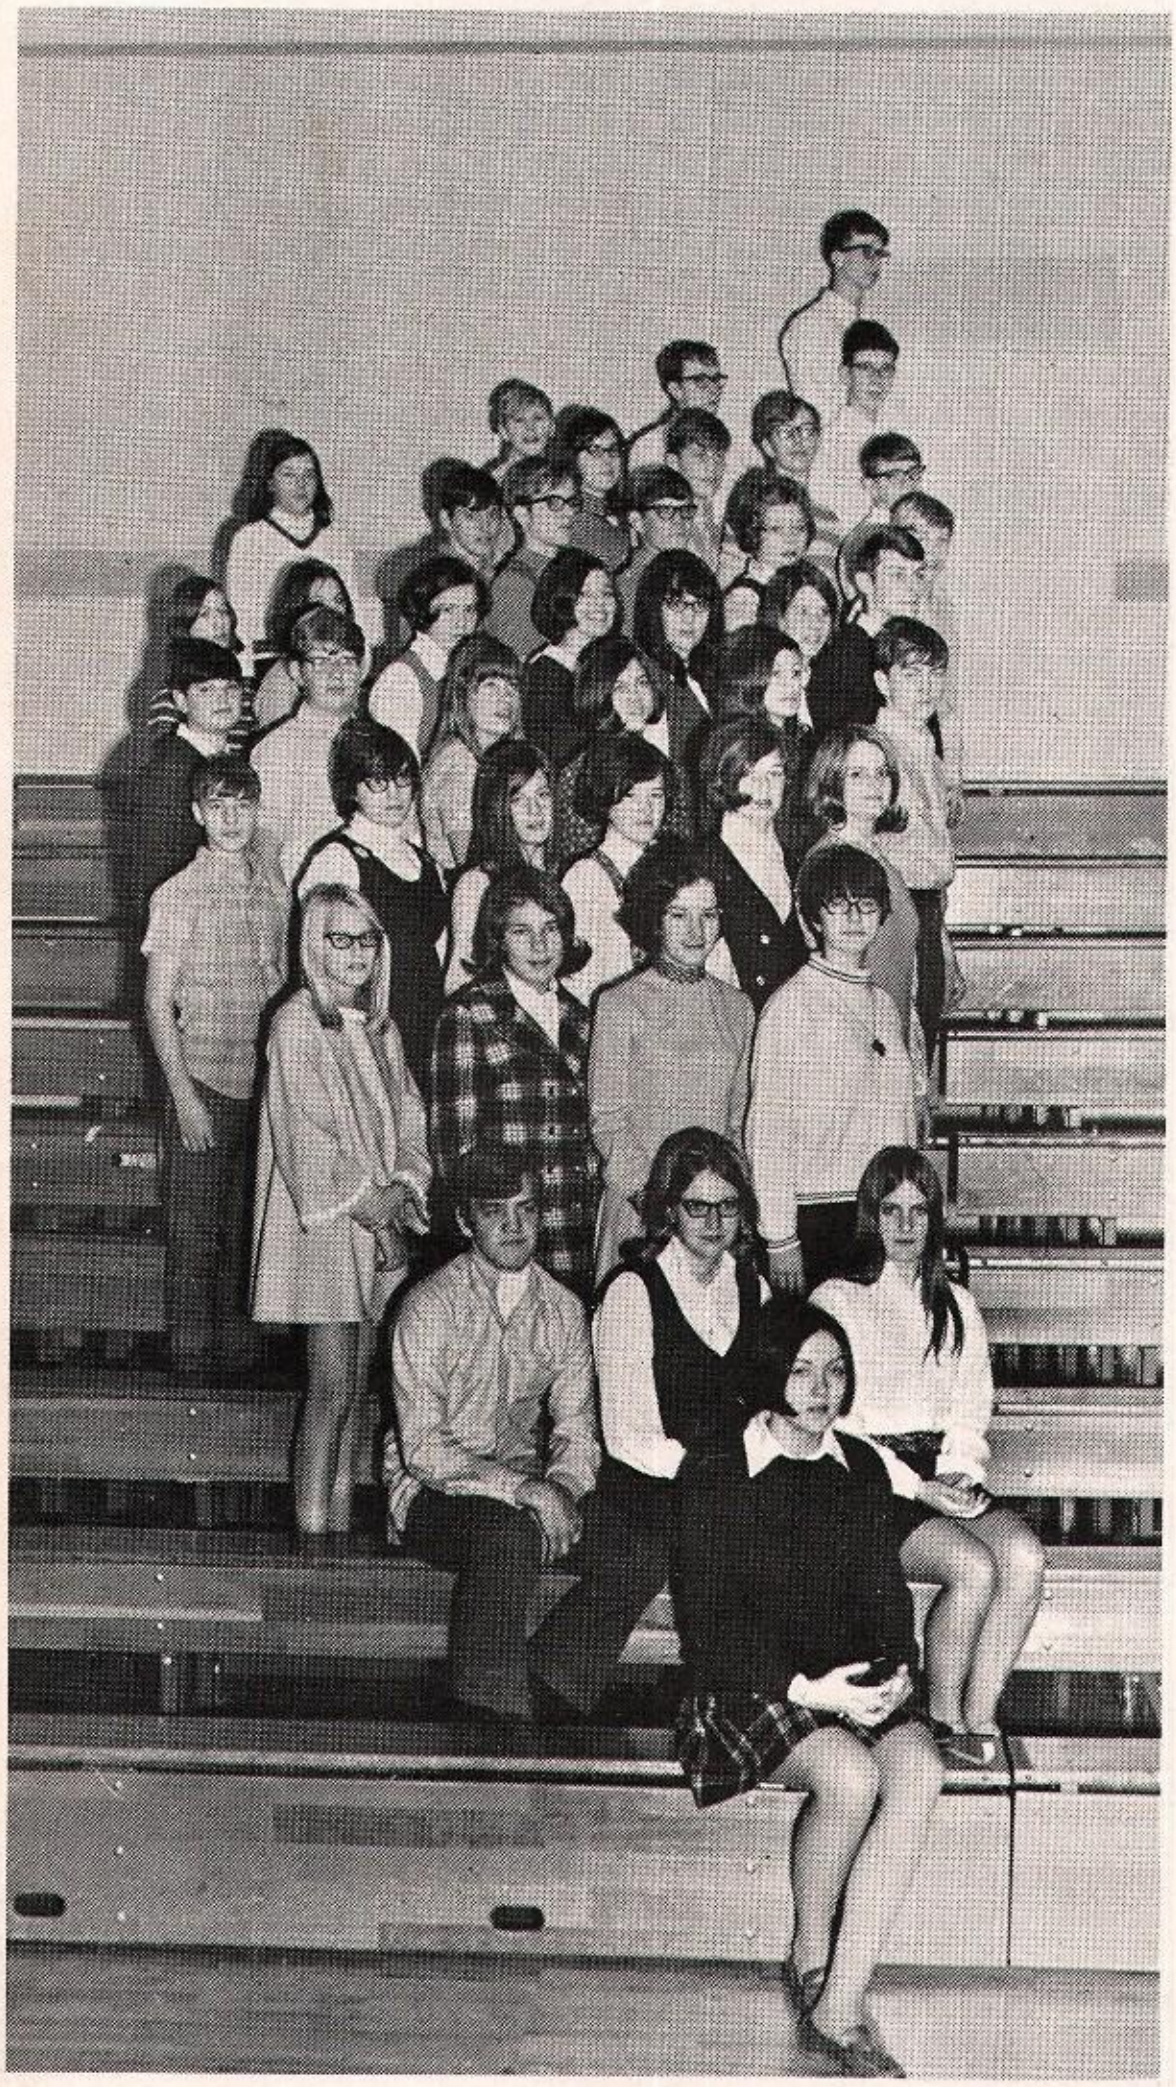
The most memorable summer of my life began June 30, 1699 when I took off from Buffalo International Airport bound for Bolivia. Flying for the first time in my life was only the beginning of two months of beautiful experiences.

I arrived in the tiny Cocabamba airport to be met by "Mamy" and "Papy" Pereira, my two Bolivian sisters, one of my brothers, and a cousin. My first drive through Cochabamba showed the beautiful, almost rustic city of plazas and gardens that I would come to love. Especially that first day I noticed that burros, sheep, motorcycles, and ancient taxis dominated the streets.

Each day in Bolivia started with a breakfast of coffee and rolls. On my bus ride to school I stuffed myself into the nearest empty spot and was seldom one of the lucky twenty out of sixty passengers who found seats. We ate a sandwich at school around noon and when we returned home about three we had soup and main course for lunch. Tea was about six and the big meal of the day was served at eight-thirty with the whole family.

The complete household consisted of beside myself, my grandmother, mother, father, two brothers, my married sister, her husband, their baby, my younger sister, the live-in maid, and the daytime maid and her baby. An extra maid came in on weekends to help clean house.

Hospitality is Bolivia's most refined art so I was an honorary native the first day. And from that moment on I hardly sat down. The people love movies, night clubs, and parties, so could I spoil their fun? Ha! I only wish I could have brought my second home and country here with me.



Ski Club

A definition of the Ski Club could possibly be freedom. Freedom sits you on your skis and enters you into a world where you are the boss.

Bus Drivers

Mr. Waite

The Hilltop gives special recognition to Dean Waite for his faithful service of 14 years.

Dean started driving on April 11, 1956 on Bus #16 and since that time has driven Bus #25 and the bus he has now #55. Under contract, for the first driver on all outside trips, he has taken football, basketball, baseball, and wrestling teams to their games, 5th and 6th graders on Buffalo and Niagara Falls trips, the band to the Toronto Fair, Syracuse State Fair, and every year he takes the kindergarten to his sugar bush where he serves them wax on snow. Probably he has carried more of the 1,400 students on his bus than any other driver.
